New Kitchen/Patio Addition

Residence Remodel-Wheat Ridge, Colorado

Design: Winter 2011

Site: The residence is located on a large, secluded lot in the rural like suburb of Wheat Ridge, 6 miles from downtown Denver.

Program: The 1,200 s.f contemporary addition transforms the existing 2 bedroom, single bath home with two new additions. The Bedroom addition adds a bedroom, bath and Master Suite. The existing Kitchen is transformed to a Dining room. The Kitchen addition includes a walk-in pantry, Breakfast Nook and Mud room connection to the garage.
